MINISTRY OF EXTERNAL AFFAIRS

New Delhi, the 4th October 1957

S.R.O. 3533.—Whereas the Central Government is of opinion that the system of booking accommodation in pilgrim ships for Haj pilgrims specified in the Schedule annexed hereto should be enforced during the Haj Season in 1958;

Now, therefore, in exercise of the powers conferred by Section 289C of the Indian Merchant Shipping Act, 1923 (21 of 1923), the Central Government hereby exempts Messrs Mogul Line, Bombay and every other shipping company engaged in pilgrim traffic from Bombay to the Hejaz, from such provisions of the said Act and the Indian Pilgrim Ships Rules, 1933, as are not in conformity with the aforesaid system of booking accommodation in pilgrim ships carrying pilgrims from Bombay to Jedda during the year 1958.

THE SCHEDULE

System of Booking Accommodation at Bombay for Haj Pilgrims

1. *Schedule of sailings.*—Every Shipping Company shall announce a provisional schedule of outward sailings 6 to 9 months in advance. Firm dates of sailings shall be advertised by the Shipping Company at least 15 days in advance as required under the provisions of the Indian Merchant Shipping Act, 1923. The penal provisions of the Indian Merchant Shipping Act, 1923 shall operate with reference to the firm sailing dates as advertised.

2. *Advance reservations of passages.*—(i) Reservation lists for all sailings announced in the provisional schedule shall be opened by the Company simultaneously and intending pilgrims will have the option of availing passages in whatever ship they like. Such reservations shall be made only on payment of a deposit of Rs. 100/- per adult and Rs. 50/- per child accompanied by applicant's full particulars. When reservations of a particular ship are complete, the Shipping company shall refuse to accept any further deposits for that particular ship.

(ii) A cabin class pilgrim may make an application for reservation of a deck passage for his servant, and may in genuine cases take any other servant than the one mentioned in the application.

3. *Registration on waiting lists.*—Persons whose deposits for advance reservation are received after the reservation of accommodation on all the ships is complete shall be kept on the common waiting lists with the shipping company. Persons who may not have made any advance reservation of passages but who may reach Bombay and ask for passages, shall also have to get their names registered on waiting lists with the shipping company. Registration of such persons on the waiting lists will be made on an application for registration on waiting list accompanied by a deposit of Rs. 10 per passenger and a copy of

the photograph of the person concerned. Registration on waiting lists shall be made strictly in order of the receipt of deposits aforesaid by the shipping company.

4. *Purchase of tickets.*—All persons who may have made advance reservations of passages shall have to purchase their tickets at least 3 days before the sailing date. Such of the persons as fail to purchase tickets 3 days in advance shall be deemed to be not travelling in those ships. Passages not previously booked in particular ships or released by passengers who do not purchase their tickets 3 days in advance shall be offered according to the order referred to in paragraph 3 to the persons whose names are registered on the waiting lists.

5. *Treatment of deposits when passages are availed of.*—The deposit of Rs. 100 or Rs. 50 or Rs. 10, as the case may be, shall be accounted towards the cost of passage when the passage has been availed of.

6. *Treatment of the deposit when the passage is not availed of.*—(i) When a person has reserved his passage and does not intend to avail of the same and gives 10 clear days' notice of his intention to the company in advance of the sailing date then his deposit shall be refunded in full.

(ii) In the case of a person who has reserved his passage but is prevented from availing of the same due to unforeseen circumstances, such as death in the family the deposit may be refunded to him in full; any dispute that may arise shall be referred in the first instance to the Chairman, Port Haj Committee, Bombay, and if the Chairman's decision is not acceptable to the pilgrim concerned or to the shipping company, the Chairman shall refer the matter to the Presidency Magistrate or the Magistrate of the first class exercising jurisdiction in the Port. The decision of the Magistrate shall be final and there shall be refunded to the pilgrims any amount allowed to him by such decision.

(iii) A person who has reserved his passage by a particular ship but is unable to avail of the same and desires to travel by a subsequent ship, may be given full credit in respect of his deposit towards the cost of passage.

(iv) In all other cases where a person has reserved his passage but does not avail of the same, a deduction of 10 per cent will be made while refunding the amount deposited by him.

(v) Where a person has got his name registered on the waiting list and does not avail of the passage when offered, a sum of Rs. 10 shall be forfeited from his deposit and the balance, if any, shall be refunded to him by the shipping company.

(vi) When a person who has got his name registered on the waiting list and is not offered any passage, the amount paid by him as deposit, shall be refunded to him in full.

7. *Scrutiny.*—The records of the shipping company in respect of reservation of passages as well as waiting lists shall be open to scrutiny by the Central Government, Chairman of the Port Haj Committee, Bombay, Executive Officer, Port Haj Committee Bombay or 2 members of the Port Haj Committee, Bombay nominated by the Chairman, or any officer or officers, nominated by the Committee for this purpose.

AUDIT COMMENTS

(A) ASSETS AND PROPERTY SIDE

(1) *Investments*—Rs. 51,14,339/11/4.

This includes sum of Rs. 5,94,285/11/4, capitalised value of the annuities granted by the late Indian Chiefs. As with the merger of the Indian States, the annuities automatically lapsed to the Union Government and no income is accruing from them, the exhibition of this amount on the balance sheet is misleading.

(2) *Buildings and Landed Property*—Rs. 1,58,99,698/3/2.

(i) The asset is not supported by any authentic inventory showing the names of various buildings and their value. In the absence of an inventory or any certified statement of buildings and their valuation being furnished to audit, it could not be satisfied that all the buildings constructed to date do still exist.

(ii) The University exercises restricted right over some of the buildings situated in other cities. The fact should have been indicated on the Balance Sheet under the asset concerned.

(3) *Equipment, Apparatus, Machinery, Tools and Plant, Books and Furniture*—Rs. 1,03,12,978/-.

(i) The total value of equipment, apparatus, furniture, live-stock, carriages etc. has been shown as Rs. 1,03,12,978/- on 31-3-56. This represents the value of articles purchased from time to time since the University started. The above figure is not supported by any inventory.

(ii) It was noticed that the value of type-writers, fan, equipments etc. either stolen, broken or damaged, is still included in the total value of the asset shown in the Balance Sheet.

(4) *Sundry Debtors*—Rs. 10,49,379/8/4.

Amongst the huge list of Sundry debtors, some of them are coming in the Balance Sheet since long and their recovery appears doubtful.

(5) *Advances*—Rs. 3,22,241/14/1½.

The advances are not supported by acknowledgements. Many of the persons to whom advances have been given have either retired or left the University services. Detailed accounts have already been furnished in respect of some of the advances but they are still shown as outstanding in the books.

(6) *Imprest*—Rs. 27,587/14/-.

The annual acknowledgements of the imprest holders have not been obtained. Many imprest holders are either dead or they have retired, from the University services.

(B) LIABILITY SIDE

(7) *Deposits and Retentions*—Rs. 11,33,650/2/3.

The above item includes a sum of Rs. 6,80,311/0/9 under the head "Other deposits" for which no detailed accounts could be shown to audit.

(4) in paragraph 7, after sub-paragraph (3) the following sub-paragraph shall be inserted, namely:—

APPEARANCES:

Counsel Shri K. B. Bose, with Shri M. M. Das Gupta, Advocate, *for the management.*

Shri P. K. Sanyal, with Shri A. R. Dutt and Shri N. R. Mukherjee, Advocates, *for the workmen.*

Dated 21st October 1957

AWARD

The Government of India, Ministry of Labour, by its Order LR. II(14)/56 dated 11th April 1957 made in exercise of the powers conferred by clause (d) of sub-section (1) of Section 10 of the Industrial Disputes Act, 1947 (14 of 1947), was pleased to refer to me for adjudication the dispute between the Hercules Insurance Co Ltd., Calcutta (hereinafter referred to as the company) and its workmen, regarding payment of bonus for the years 1954 and 1955.

2. After the usual notices were issued upon the parties, the Hercules Insurance Company Limited's Indian Employees Union, (hereinafter referred to as the Union), which represents the workmen concerned in the dispute, namely the Indian Clerical and Subordinate Staff employed in the company's head office at Calcutta, filed its statement of claim on 17th May 1957 and the company filed its written statement in reply on 6th June 1957. The hearing of the dispute took place at Calcutta between 4th July 1957 and 13th July 1957, but at my request the parties appeared before me again on 13th September 1957 and certain documents were filed by the parties thereafter.

The union has claimed additional bonus equivalent to two months' basic wages for each of the years 1954 and 1955. It is admitted that for each of the said two years the workmen concerned were paid bonus equivalent to two months' basic wages, one month's basic wage having been paid in each year in the month of September at Puja time, and an additional bonus having been paid in 1954 by company's circular dated 13th August 1954 and in 1955 by company's circular dated 30th May 1955. The company claims that payment of these bonuses were entirely *ex gratia*.

In its written statement and at the hearing of the dispute, the company urged a preliminary legal objection. It contends that as the payment of bonus by an Insurance Company is conditioned entirely by the provisions of the Insurance Act, 1938 (IV of 1938), the demand is not maintainable and this Tribunal has no jurisdiction to entertain the same. Reliance for this purpose is placed mainly on the provisions of Cl. VII of Section 31A and on the provisions of Section 30C of the Act read with Rule 17E of the Insurance Rules, 1939.

Now, cl. VII of Section 31A is as follows:

- “(vii) the payment of bonus in any year on a uniform basis to all salaried employees or any class of them by way of additional remuneration, such bonus, in the case of any employee, not exceeding in amount the equivalent of his salary for a period which, in the opinion of the Central Government, is reasonable having regard to the circumstances of the case.”

Section 40C deals with limitation of expenses of management in general insurance business. It may here be stated that this company does only general insurance business and does not do any life insurance business at all. Section 40C is as follows:

“After the 31st day of December 1949, no insurer, shall, in respect of any class of general insurance business transacted by him in India, spend in any calendar year as expenses of management including commission on or remuneration for procuring business an amount in excess of the prescribed limits and in prescribing any such limits regard shall be had to the size and age of the insurer:

Provided that where an insurer has spent as such expenses in any year an amount in excess of the amount permissible under this sub-section, he shall not be deemed to have contravened the provisions of this section, if the excess amount so spent is within such limits as may be fixed in respect of the year by the Controller after consultation with the Executive Committee of the General Insurance Council constituted under Section 64F, by which the actual expenses incurred may exceed the expenses permissible under this sub-section.

- (2) Every insurer as aforesaid shall incorporate in the revenue account a certificate signed by the Chairman and two directors and by the principal officer of the insurer, and by an auditor certifying that all expenses of management wherever incurred, whether directly or indirectly, in respect of the business, referred to in this section, have been fully debited in the revenue account as expenses

Explanation.—In this section—

- (a) “calendar year” shall have the meaning assigned to it in Section 40B;
- (b) “expenses of management” means all charges, wherever incurred whether directly or indirectly, including commission payments of all kinds, and, in the case of an insurer having his principal place of business outside India, a proper share of head office expenses, which shall not be less than such percentage as may be prescribed, of his gross premium income (that is to say, the premium income without taking into account premiums or re-insurance ceded or accepted) written direct in India during the year;
- (c) “insurance business transacted in India” includes insurance business, wherever effected, relating to any property situate in India or to any vessel or aircraft registered in India.”

Rule 17E of the Insurance Rules, 1939 prescribes limitations of expenses of management in general insurance business. It provides that after 31st December 1949 no insurer shall in respect of general insurance business transacted in India, other than marine insurance business, spend in any calendar year, as expenses of management, including commission or remuneration for procuring business an amount exceeding the sum of:

- (1) an amount of commission or other remuneration paid to insurance agents and principal agents in respect of that business transacted in that year but not exceeding 15% of the gross premium income written direct in India in respect of that business in the year; and
- (2) the amount computed on the basis of the percentage appropriate to the various parts of the total gross premium income written in India during the year. Then follow certain percentage rates on the amount of premium income written direct in India, the highest percentage being 35% on the first rupees 10 lakhs of the premium income, tapering down, after rupees 45 lakhs of premium income, to 20% on the balance. Similarly, Rule (2) of Rule 17E, prescribes the limits of

the amount of expenses of management in respect of commission or remuneration, being 10% of the gross premium income written direct in India in respect of that business in India and the percentage rates appropriate to the various parts of the total gross premium income written direct in India are also lower than those prescribed for Fire and Accident insurance business.

I may here state that according to the company, its expenses of management for each of the years 1954 and 1955 had exceeded the limits prescribed as stated above. In its statement Exhibit E-15, the company has shown the calculation on the basis of Rule 17E and this shows that its expenses of management for 1954 and 1955 exceeded the limits prescribed, by Rs. 73,878/- and Rs. 1,69,336/- respectively. The union in its statement (Annexure F) has attempted to show that for 1954, the company's total expenses of management as shown in Revenue Account fell short of the permissible limit by Rs. 1,24,476/-. The Union, however, has not filed any statement for 1955, but has referred me to the Indian Insurance Year Book 1956 for the relevant figures. It was, however, admitted that for both the years 1954 and 1955 the Controller of Insurance had, under the proviso to sub-section I of Section 40C, fixed the limit by which the actual expenses incurred in the two years "may exceed the expenses permissible under the said sub-section." (See Exhibits E-21 and E-22). On this basis, it was ascertained that for 1954 and 1955, the limit was relaxed to the extent of Rs. 1,72,512/- and Rs. 1,12,471/- respectively. Thus with this relaxation, the actual expenses for 1954 were within the limits fixed by the Controller of Insurance, but for 1955 the actual expenses incurred exceeded the limits prescribed by the Controller by Rs. 56,865/-.

It will thus be seen that for 1954, the actual expenses of the company fell within the prescribed limit only with the relaxation granted by the Controller of Insurance and that for 1955 the actual expenses exceeded even the relaxed limit prescribed by the Controller.

But apart from the question of actual expenses of management incurred during each of these two years, the main contention of Shri K. B. Bose, the learned Counsel for the company has been that under clause VII of Section 31A, the amount of bonus that can be paid to employees of an insurance company has to be determined by the Central Government and this Tribunal has no jurisdiction to adjudicate upon a demand for bonus. In support, Shri Bose has relied upon the Award of the learned Industrial Tribunal, Shri Campbell Puri, in the case of the Hindusthan Cooperative Insurance Society Limited and their employees working in the Head Office and branches (Government of India Gazette, Part II, Section 3, dated 29th December, 1951 at page 2220). In that case a similar contention was raised by the company as has been urged by Shri Bose in this case. The learned Tribunal after referring to the provisions of Clause VII of Section 31A, observed as follows:

"Reliance was placed on the revised Insurance Act under which previous permission of the Central Government is necessary. It was contended that the underlying idea of Section 31A is that bonus should be paid only if the expenses of the company admit of it. On the strength of this it was maintained that the Tribunal has no jurisdiction over the matter because grant of bonus is governed by Section 31A(vii) of the Insurance Act and that one month has been fixed after reference to the Central Government. This Tribunal has no jurisdiction to modify or make any increase in it as demanded by the Federation..... At any rate in the light of the statutory provision the determination of bonus rests with the Central Government and this Tribunal is not competent to adjudicate upon it. The demand of any increase in the present bonus grant accordingly fails on this short legal point."

Shri Sanyal, the learned Advocate representing the Union, on the other hand, has argued that the payment of bonus referred to in clause VII of Section 31A, relates to expenses of management and has nothing to do with the appropriation of net profits and disposal of surplus profits. He has in this connection referred to the provisions of Sections 27 and 29 of the Insurance Act and certain forms prescribed under the Act in which the expenses of management have to be shown. His argument is that the demand of the workmen for additional bonus for the years 1954 and 1955 is based on the large profits earned by the Company in each of these two years and as such the provision of Section 31A do not hit the demand for additional bonus for the two years. His contention is that the expenses of management have to be shown in the revenue account and that such expenses

only are governed by the provisions of Sections 40A and 40C. He further contended that Section 31A does not in any way put any limit upon the manner in which profits are to be distributed. He has referred to the provisions of Section 49 of the Insurance Act and according to him that section is the only section in the Insurance Act which places any restriction on distribution of profits among share-holders by way of dividends and bonus. He has, therefore, argued that there is nothing in the provisions of clause VII of Section 31A, which limits the jurisdiction of a Tribunal to adjudicate upon a demand for bonus.

After the arguments were concluded before me on 13th July 1957 I came across the award, dated 19th September 1955 of Shri P. S. Bindra, Central Government Industrial Tribunal, at Dhanbad, in Reference Nos. 5 and 7 of 1955, between the employers in relation to the Cooperative Assurance Co. Ltd. Amritsar versus their workmen. That dispute was over a demand of the workmen for bonus for the years 1952 and 1953 and the management in its written statement had placed reliance on the provisions of Clause VII of Section 31A and had contended that the Tribunal had no jurisdiction to entertain the demand. The management, however, was not represented at the actual hearing of the dispute and the workmen evidently had relied upon a circular letter No. 53-IC(1)/51, dated 20th November 1952, issued by the Controller of Insurance. The circular was issued by the Controller as several references were made by several insurance companies to the Central Government, regarding the quantum of bonus. That circular (copy of which was filed in these proceedings at my request by the company on 13th September 1957), is as follows:

No. 53-IC(1)/51

GOVERNMENT OF INDIA

DEPARTMENT OF INSURANCE

Kennedy Cottage

Simla-4, the 20th November 1952

From A. Rajagopalan, Esquire, B.A., F.I.A.,

Controller of Insurance.

To All insurers carrying on Insurance Business in India

Re: Payment of bonus to the staff of insurers and proviso (vii) to sub-section (1) of Section 31A of the Insurance Act, 1938.

Sir,

It has been found that every year several insurers solicit the opinion of the Central Government under proviso (vii) to sub-section (1) of Section 31A of the Insurance Act, 1938, regarding payment of bonus to their staff, in order to make sure that the Government does not consider it excessive. I am, therefore, to give the following indications on the subject, so as to minimise references in this connection. It is the responsibility of each insurer to decide the rate of bonus he can afford to pay his staff, keeping in view the provisions of Sections 40B and 40C of the Insurance Act and this letter should not be construed as taking away that responsibility in any way. No insurer whose life insurance fund is in deficit and who has not made any profits in the preceding year in general insurance business as a whole should pay any bonus to its staff. Subject to these considerations:

- (i) The Central Government will not consider any bonus upto 2 months salary as unreasonable.
- (ii) If any higher bonus had been paid by such an insurer in the previous year, then he may pay bonus at the same rate for the current year, if he thinks fit, without consulting the Central Government.

Yours faithfully,

(Sd.) A. RAJAGOPALAN,
Controller of Insurance."

In para. 4 of the Award, the learned Tribunal Shri Bindra in dealing with this circular observed as follows:

"So from the above it will be evident that in the opinion of the Central Government bonus upto two months salary is reasonable. Thus the Central Government has already expressed its opinion so far as the payment of bonus to the extent of two months salary is concerned.

The Government not only expressed its opinion but also authorised the insurer to pay bonus according to the instructions laid down in the above letter. Thus the insurance companies are at full liberty to grant bonus upto the extent of two months salary under certain conditions and there is no bar to grant of such bonus under the Insurance Act 1938."

Therefore, the learned Tribunal proceeded to apply the Bonus Formula as laid down by the Appellate Tribunal to the profits of the company for each of the two years and holding that there was sufficient surplus, awarded two months wages as bonus for each of the two years. But it must be noted, that there is nothing in the award to show whether the actual expenses of the company for the years for which bonus was claimed had or had not exceeded the limits prescribed by the Insurance Act.

However, when I came across reference to the circular of the Controller—circular No. 53-IC(1)/57, dated 20th November 1952, I requested the parties to appear before me again, which they did on 13th September 1957. At this hearing Shri Bose learned counsel for the management relied upon the award of the learned Central Government Industrial Tribunal, Shri P. S. Bindra, in the case of the Bombay Mutual Life Assurance Society Ltd. and their employees (1956—I-L.L.J. p. 149 at 152). From that award it appears that the Controller of Insurance had issued another circular letter No. 53-IC(3)/52, dated 23rd February 1955, which is a verbatim copy of the earlier circular No. 53-IC(1)/57, dated 20th November 1952, except for the addition of clause (2) which runs as follows:

"It is clearly understood that the foregoing will not apply to those cases where the dispute regarding bonus has been referred to a Tribunal for adjudication under the Industrial Disputes Act, 1947."

In para. 12 of the award in the dispute between the Bombay Mutual Life Assurance Society Ltd. and its employees (1958—I-L.L.J. p. 152), the learned Tribunal after discussing the terms of this second circular observed:

"If the above letter does not apply to a case when the dispute has been referred to a Tribunal, then the letter is to be ignored and this case falls within the ambit of Clause VII of Section 31A of the Insurance Act 1938 and it is for the Central Government to decide as to what is the reasonable amount of bonus and this Tribunal has no jurisdiction to decide as to what is the reasonable amount of bonus. At any rate, a letter issued by the Government of India cannot override the provisions of the Insurance Act 1938, as a piece of legislation cannot be brushed aside by a departmental letter. The argument of the learned counsel for the union that this letter superseded the provisions of the Insurance Act 1938 is wholly fallacious."

It may be stated that the company admitted that such a circular had been issued by the Controller of Insurance. Shri Bose, however, relied upon this award in as much it holds that a demand for bonus is covered by the provisions of clause VII of Section 31A of the Insurance Act and in as much as the permission of the Central Government is necessary before the grant of any bonus, no industrial dispute can be raised with regard to it and the Tribunal has no jurisdiction to entertain the same.

In the award in the case of Bombay Mutual Life Assurance Society Ltd., reference is made to the Award of Shri Campbell Puri, learned Central Government Industrial Tribunal in the case of the Empire of India Life Assurance Co. Ltd. and their workmen (1953—II-L.L.J. p. 380) where dealing with the demand for bonus, the learned Tribunal observed as follows:

"Issue No. 2 (Bonus):

It was urged in the statement of claim that the employees should be given bonus equivalent to three months salary with allowances every year. The employees in reply stated that they have been allowing bonus of month's salary despite financial stringency but now the Insurance Amendment Act has restricted payment of bonus and the same cannot be paid without reference to the Central Government. It was further submitted that the present position of expense ratio of the company does not permit of any such extra expense. The question of bonus to be paid to the employees may be a legitimate demand because it works as an incentive but the real question for determination is as to whether insurance companies can be called upon to

pay bonus to their employees on the lines of commercial concerns like banks textile mills and other mercantile firms, and further more the Insurance Act permits to make such payment. The union representative this time produced a copy of the circular whereby it was claimed that no permission of the Central Government is necessary when the bonus to be paid does not exceed any amount equivalent to two months' salary. The circular referred to above however does not alter the position so far as the statutory restriction in the grant of bonus under Section 31A(7) goes. The point for determination precisely is as to whether the tribunal can give any award with regard to payment of bonus in relation to disputes existing between the insurance companies and their workmen. Sub-section (7) of Section 31A read as follows.

“(vii) the payment of bonus in any year on a uniform basis to all salaried employees or any class of them by way of additional remuneration such bonus in the case of any employee, not exceeding in amount the equivalent of his salary for a period which, in the opinion of the Central Government, is reasonable having regard to the circumstances of the case.”

The wording “which in the opinion of the Central Government is reasonable having regard to the circumstances of the case,” is significant and I do not think that the Tribunal could either circumvent the statutory provision by taking the matter in his hands without referring the matter to the Central Government. It was admitted on behalf of the employers that they have been paying previously one month's salary as bonus which appears not to have been paid this time. I would therefore recommend that the employers should move the Central Government for the payment of at least one month's bonus which they have been paying to employees previously.”

It will thus be seen that several decisions of this Tribunal have upheld the contention urged by Shri Bose. No doubt there are a few earlier decisions of Industrial Tribunals awarding bonus to employees of insurance companies, but in none of these awards is there any reference to proviso VII of Section 31A. I, however, find that whenever the proviso VII of Section 31A was pleaded, the Tribunals have accepted the position that the Tribunal would have no jurisdiction to entertain the demand for bonus.

I am not impressed by the contentions urged by Shri Sanyal. The whole scheme of the Insurance Act is that the expenses of management should not exceed certain prescribed limits. As I have stated earlier, the expenses of management of this company for both the years 1954 and 1955 exceeded the prescribed limits. For 1954 the management expenses actually exceeded the prescribed limits but it was only after the relaxation granted by the Controller under the proviso to sub-section (1) of Section 40C that the management expenses were allowed to exceed the expenses permissible under the said sub-section. For 1955, the management expenses exceeded even the relaxation of the limits granted by the Controller for that year. I am not impressed by Shri Sanyal's contention that the reference to bonus in clause VII of Section 31A has nothing to do with a demand for bonus out of profits and that reference therein to payment of bonus is confined to payment of bonus out of revenue account after all is said and done, an award granting additional bonus means “additional remuneration” to the workmen even though it be for the contribution they may have made by their efforts to the earning of the profits of the company. Such payment cannot but mean additional amount by way of expenses of management for the year for which bonus is awarded. Clause VII of Section 31A, however, provides that such bonus can only be paid if in the opinion of the Central Government payment of such bonus is reasonable having regard to the circumstances of the case. Thus it is the opinion of the Central Government, that has to prevail in the matter of payment of bonus and Tribunal would not have jurisdiction to entertain the demand. The several awards referred to above have also held this view and I am in respectful agreement with the same.

I, therefore, uphold the contention of the management and held that I have no jurisdiction to entertain the demand for payment of additional bonus for either of the years for 1954 and 1955.

No order as to costs.
